**Sport Premium Action Plan For:** Physical Education (Key Stage 2)

**Name of Coordinator:** Darren Jones (Head of PE)

### Overview

The Department for Education is providing additional funding of £150 million to primary schools across the UK to improve provision of physical education and sports. They state that schools must use the funding to make additional and sustainable improvements to the quality of PE and School Sport they offer. Schools should use the premium to:

- Develop or add to the PE and sport activities that the school already offers.
- Make improvements now that will benefit pupils joining the school in future years

Our PE and Sports Premium Grant for 2015 – 2016 was £6000

- We currently have 12 primary pupils on roll at Oakwood. This will be the first cohort of pupils enrolled into our primary provision.
