Oakwood Academy Site Wellbeing Survey

During March 2021 a survey was undertaken to ascertain the general wellbeing of our students with regards to their daily school life.

For the purpose of this survey the key questions asked were:

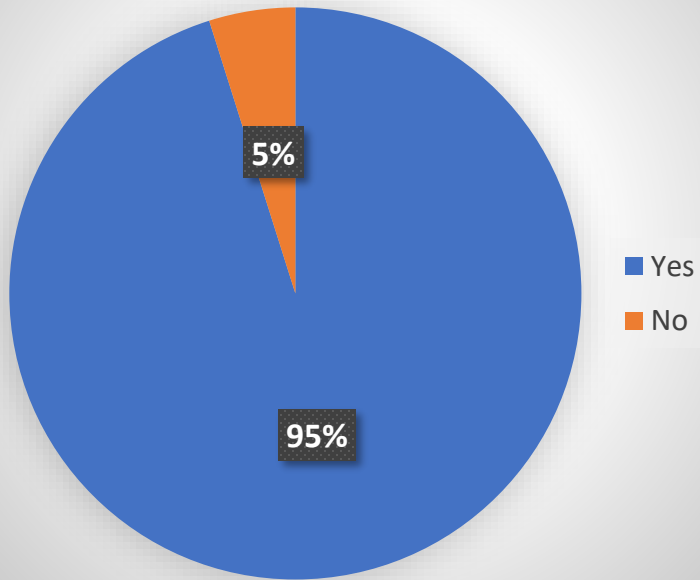

- Are you happy in school/college?
- Do you feel safe in school/college?
- If you need help or support, do you know who to go to?

The student responses have been categorised as Yes, and No

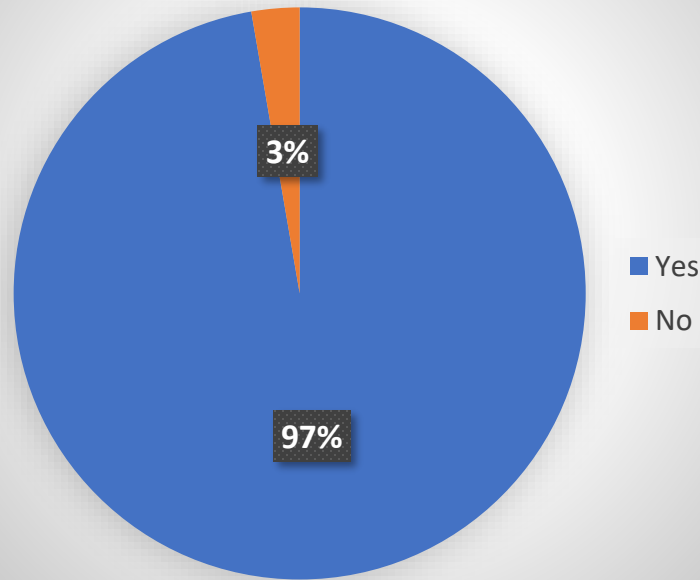

223 responses have been recorded over all sites, the results of which are summarised on the following pages.
