

Julie Owen Chair of the LGB Hub
Headteacher at the Canterbury Centre PRU Salford

I have been Head at The Canterbury Centre, Salford's Pupil Health Referral Unit, since 2012 and have overseen lots of improvements there. The Canterbury Centre has worked very closely with Kings Academy Trust to raise standards for the benefit of all.

My area of expertise is mental health and emotional wellbeing. Schools have a role to play in supporting pupils to be resilient and mentally healthy; academic success correlates strongly with robust mental health and wellbeing.

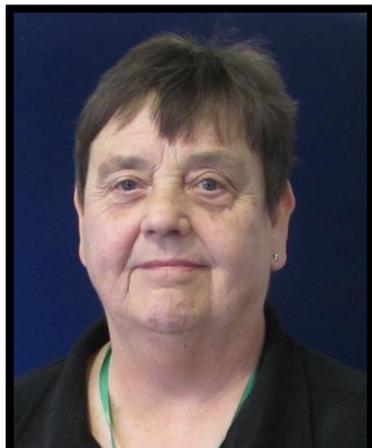

I feel privileged to join the Kings Academy Trust LGB HUB and work as part of the team. I am looking forward to ensuring that the young people attending Oakwood Academy and Kassia AP Academy continue to enjoy their learning and prepare effectively for life post-16.

Joanne Mullineux Vice Chair of the LGB Hub
Deputy Headteacher at Green Lane Special School Warrington

I have worked in education for over 15 years and have the passion and drive to help to ensure that all pupils with SEND fulfil their full potential. I have worked in both Primary and Secondary Mainstream and Special Needs Sectors. I have gained valuable experience working in 2 Outstanding Special Schools during this time. I spent 2 of my early years as an NQT teaching in a Mainstream Primary School in Salford, teaching within KS2 to Years 3 and 5. It was here that I became a lead English Teacher for the Local Authority. I then spent the rest of my teaching career working in Special Education starting at Oakwood Academy developing the Year 7 Foundation Provision, progressing to become the Academy's Inclusion Manager & SENCO. I gained my NPQH Qualification in 2011 and since 2013 I have been the Deputy Head Teacher at Green Lane Special School (MLD/Complex Needs Ages 4-19) and have helped lead the school to its Outstanding OFSTED judgement in May 2015. During this time, I have held a key role working with Warrington Teaching schools and the School Improvement Alliance to offer CPD opportunities across Warrington & beyond. I have been part of a team to Lead SEND Reviews in mainstream schools with the aim to drive improvements helping all pupils with SEND to receive the best education.

Jacqui Hughes - LGB Governor
Chair of the Canterbury Centre PRU Salford
Safeguarding/Health and Safety Governor at Oakwood
Academy

I started my career as a teacher and went on to be head of KS3, before joining the Salford LEA School Advisory Service as Curriculum Trainer. I was then promoted to the role of a School Inspector and I also became an Ofsted Inspector. My most recent post in Children's Services was Head of Education Services. This required me to have Line Management for a range of services and projects that worked with the most vulnerable and hard to reach pupils in the City. I have been Chair of the Canterbury Centre Management Committee for the last 6 years and I contribute to development and delivery of Whole School Safeguarding Training in Salford Schools. My specialism is safeguarding and as a Chair of Governors education.

I led The Canterbury Centre PRU from RI to Good with the help of Oakwood. The impact of this was that the pupils began to get a better education and were being safeguarded effectively.

Amanda Breward
Community Governor Oakwood

My son currently attends Oakwood Academy. I work as a Sales & Marketing Manager for a worldwide inspection company where I am responsible for expanding our commercial profile, sales and coverage, both here in the UK and globally. I graduated from the University of Salford with a BSC Honours Degree in Information Technology, then started work as IT Manager for Pacific Brands UK Limited, before moving into sales and becoming a Senior Sales Executive for Sheridan UK. I am also a volunteer at Cycling Projects/Wheels for All (a national UK cycling charity which promotes inclusive cycling through a range of successful community engagement programmes that give people the opportunity to cycle on a regular basis; through help, support and guidance). In my spare time I enjoy Travel, Cooking, Reading, Languages, Walking & Fashion/Dressmaking.

Simon Lennox

**Headteacher of the Virtual School for Children in Care,
Warrington Borough Council**

Throughout my teaching career I have worked in large comprehensive 11-16 high schools. My career has taken me from teaching maths in Stockport, through Head of Department in a central Manchester high school, to senior leadership in Tameside and Headteacher in Salford. I have been in my current post since June 2019.

I believe that children who have suffered adverse childhood experiences need the highest levels of support and care to help them achieve and participate as active members of their community and that high quality alternative education provision is key to this.

Gary Cunningham

CEO One Community Trust

Exec Head Oakwood Avenue Primary School

I have been CEO of One Community Trust since its inception in September 2019. The Trust comprises of 4 Warrington primary schools with 4 additional Designated Provisions covering Cognition & Learning, SEMH and ASD needs. I have been a headteacher for 17 years (the last 12 years at Oakwood Avenue).

I am passionate about inclusion and equality; as a result, I have always worked in areas of deprivation with relatively high SEND percentages of children. Having been born and brought up in such an area, I have experienced the power of an effective education and how it can literally change lives.

I work extensively with Warrington LA ensuring our town's most vulnerable have an advocate. Warrington needs a first class AP facility and I hope to support Kassia and other schools in the Trust in providing this much needed quality provision.

John Leonard

**Assistant Headteacher Sir Thomas Boteler High School
Safeguarding / Health & Safety Governor at Kassia**

I am currently the Assistant Headteacher at Sir Thomas Boteler Church of England High School in Warrington. Now into my 6th year in this role, I am responsible for Pastoral Care, behaviour and welfare in the school. Further to this I am the Designated Safeguarding Lead in school and I line manage the SENDCO, working closely with her to ensure equality for all.

I have a passion for pastoral care and improving the life chances of young people. I believe every student deserves an equal opportunity of achieving success regardless of background or circumstance. I believe that safe and happy children can learn, therefore I believe my skillset and passion developed in my career so far, can be transferred to support the staff and students at Kassia Academy. The role will also allow me to support the development of a provision to meet the needs of those across the town.

I have a love of sport which is what led me to become a PE teacher. I have been part of sporting teams all of my life, with my main sport being Football and still playing in a team now. I am also a big Manchester United supporter.
