Climbing to New Heights! 🧗💪

The year 10 D of E had an amazing time rock climbing today! It was incredible to see everyone supporting each other, cheering their friends on, and pushing past their limits. A huge well done to those who overcame their fears and made it to the top—we're so proud of you! 🍌🧗.

8 Maple have been learning about the famous mathematician and artist Leonardo Da Vinci, this week. They created a fabulous collage showing what they have learnt. Well done 8 maple!

Last week 9M visited Eureka Science and Discovery. They had the most amazing day learning new things, experiencing new opportunities and having lots of fun. Their behaviour was outstanding and a great role model to others. We would like to say thank-you to Miss Murray for organising the trip.
