

Dear Parents and Carers,

Spring Term 1

As we come to the end of the Spring 1 half term, I would like to take this opportunity to thank the entire Oakwood community for the support and warm welcome I have received in my first half term as Head of School. It has been a pleasure to see the fantastic work our pupils have produced, and I have greatly enjoyed making positive phone calls home to share these achievements. Please continue encouraging your child to strive for their best – I look forward to seeing more excellent work next half term.

Key Achievements in Spring 1

- A huge well done to our Year 10 and Year 11 pupils for their excellent results in their recent mock exams. Their hard work and dedication have been evident, and we are incredibly proud of them.
- During our recent governors' meeting, we evaluated pupil progress across the school. I am delighted to share that all pupils are making excellent progress, with a special mention to our Chestnut pupils—WOW!
- Oakwood became the first school in the North West to open its doors to Ofsted for a thematic visit this half term. This was a fantastic opportunity to showcase the outstanding work happening across the school.
- On 31st January, we had the pleasure of welcoming Michael Wheeler, the MP for Eccles and Worsley. He met with our School Council to discuss pupil voice, and it was wonderful to see our young people engaging in discussions about their education and future.
- A huge thank you to our dedicated staff for continuing to provide high-quality experiences for all our young people. This half term has seen a wide range of activities, including our comprehensive after-school club programme and the ever-popular Valentine's Disco.

Looking Ahead to Next Half Term

As we move into the next half term, I would like to remind all parents and carers of a few key areas:

- **Attendance is key** – please support your child in maintaining good attendance, as this is vital for their progress and success.
- **School expectations** – pupils must continue to follow our school rules, including ensuring that coats are not worn in lessons.
- **Communication with school** – we encourage open communication to help us meet pupils' needs effectively. Please reach out if you need any support.

You will receive your child's interim report shortly after half term. Please take the time to review this, as it provides valuable insights into their progress. We also look forward to welcoming you to **Parents' Day on Monday 24th February, from 12:00pm to 5:40pm**. This is a fantastic opportunity to discuss your child's achievements and next steps.

Finally, we ask that you continue to encourage your child to **read at home and complete their allocated numeracy work**, as these activities can significantly impact their progress and confidence in learning.

Thank you once again for your ongoing support. I hope you have a restful half-term break, and I look forward to another exciting and productive half term ahead.

Best wishes,

Mr. D Jones
Head of School
