

Thursday 6<sup>th</sup> February 2025

Dear Parents and Carers

**Ofsted Thematic Visit – Tuesday 11<sup>th</sup> February**

I am writing to inform you that on Tuesday 11<sup>th</sup> February our school will be participating in an Ofsted Thematic Visit. This is a voluntary visit, not an inspection, and is being conducted to help Ofsted trial and refine aspects of their new inspection processes.

Key details about the visit:

- Two Senior Ofsted Inspectors, both specialists in Special Educational Needs and Disabilities (SEND), will be on-site from 8:00am to 3:00pm.
- The purpose of the visit is to test elements of Ofsted's new evaluation toolkit, which is currently being developed.
- The inspectors will observe some lessons, speak with pupils and staff, and review a selection of students' work to gather insights on how their new methodology works in practice.
- They will not be evaluating the school or producing a report, and this visit will not affect any future inspections.

We want to reassure you that no additional preparation is required for the visit, and our school will continue to operate as usual. We will ensure that the visit runs smoothly and that pupils experience minimal disruption to their learning.

We will be informing pupils tomorrow during assembly.

If you have any questions or would like further information, please do not hesitate to contact the school office.

Thank you for your continued support.

Best regards,

Darren Jones

**Head of School**
