

Dear Parents and Carers

Did you know that just registering your child for Free School Meals means that the school gets extra money to help support your child?

The Government is giving money to schools to help children from lower income families do their very best. This funding is called a 'Pupil Premium'. For every child registered Oakwood Academy School gets £935 this year.

With this money we could purchase additional resources, equipment and also staffing to support our most vulnerable children. If you are registered for Free School Meals you could also get help with the cost of school trips and uniform.

Please register to make sure your child and others in their class don't miss out.

How does it work?

1. First, check if you qualify – it is not just if you are unemployed, so please look at the list on the next page.
2. Registering is really quick and easy – if you think you qualify, contact Salford City Council on 0161 909 6508, who will help you to register.
3. If you want your child to have a free, healthy meal at lunchtime that's great – they will get the free meal (saving you more than £350 a year), extra benefits and the school get £935 extra.
4. If you don't want your child to have the school meals they can continue as normal, as long as you qualify and are registered, the school still gets £935 extra

No one will know you have registered and it will not affect any other benefits you are claiming. Oakwood Academy operates a cashless catering system which ensures complete discretion.

Do you qualify?
