Reception: 0161 921 2880

Monday 5<sup>th</sup> November 2018

Dear Parents, Carers and Guardians,

Oakwood Academy is starting a new savings scheme for all pupils. This works alongside Class Dojo and therefore for every dojo they receive they will gain the equivalent of 1p. Over time this money will build up and then when the pupils have saved up enough pennies to gain a prize they can cash them in for their reward. In maths we teach all pupils the importance of saving but there is nothing like having the hands on practical experience of doing this to truly learn.

Soon therefore you will see an 'Oakwood Savings Account' book within their log book where they will save up their pennies; these will be given in the form of a 1p stamp. On the back of the savings book you will see a selection of items that they can purchase with the savings. Over the next week we will be asking all pupils for any other ideas of suitable prizes that they wish to buy.

I look forward to an exciting and educational way of rewarding the pupils of Oakwood through learning the invaluable skill of saving!

Many thanks,

Mrs McQueen  
Head of KS4/5 Maths

### Oakwood Academy Shop

	20p
	£1
	£3
	£5
<ul style="list-style-type: none"> <li>• £5 gift voucher for sports direct</li> <li>• £5 gift voucher for the Trafford Centre</li> <li>• Film afternoon with a Happy Meal at school</li> </ul>	

### Oakwood Savings

Every time that you gain a ClassDojo you will gain a 1p stamp in your savings account.

Over time these stamps will build up and will allow you to buy something from the shopping menu on the back. There will be order forms within your form so when you are ready to cash in your money you can!

"Do not save what is left after spending, but spend what is left after saving"
