

4<sup>th</sup> March 2019

Dear Parent / Guardian,

Every year my Options group complete a Unit where they have to plan and raise money for a charity. This year we are also going to be working alongside The Duke of Edinburgh Option group to support World Epilepsy day and Dravet Syndrome a charity that gives hope for families with life-limiting epilepsy.

To support this there will be lots of exciting activities for the children to participate in to help raise funds for these two amazing charities.

We are proposing to do the following activities to raise money.

<b>Friday 15<sup>th</sup> March</b>	Cake and biscuit sale (items will start at 10p and cost no more than 50p)
<b>Tuesday 26<sup>th</sup> March</b>	Cake and biscuit sale (items will start at 10p and cost no more than 50p)
<b>Easter Egg Raffle</b> Tickets will start being sold week beginning 4 <sup>th</sup> March right up until <b>Wednesday 17<sup>th</sup> April.</b>	You can win Easter eggs and the contents of an amazing purple hamper - tickets will be sold at 20p each or a full strip for £1.00. Name the Easter Bunny for 50p a go. Tickets will be sold regularly in the coming weeks in school.  The raffle will be drawn <b>THURSDAY 18<sup>th</sup> APRIL</b> as we finish for the Easter weekend.
<b>Friday 29<sup>th</sup> March</b>	Non-uniform day. If pupils could wear something <b>PURPLE</b> as this is the colour to support World Epilepsy day. Voluntary contribution of 50p
<b>Fun activities</b>	"Duke of Edinburgh" group will be organising some fun activities at a small cost of 20p - £1

We hope to raise lots of money for these two amazing charities, raise awareness and have lots of fun too.

If anyone would like to contribute/donate an Easter eggs for the raffle it would be gratefully appreciated.

Mrs Hamer

Did you know 1 child in every primary school and 5 in every secondary school has epilepsy.

With your help and support, we can work towards a better future for young people living with epilepsy.
