Art and Design Home Learning - 11C

By Mrs J Gordon (Head of Department)

Basic learning in Art and Design

- In Art and Design we aim for all pupils to develop creativity, ideas, and technical ability. They should develop a critical understanding of artists, architects and designers, expressing reasoned judgements that can inform their own work.
- Key learning in Art and Design at home can involve pupils:
 - recording observations in a sketchbook, journal or on paper as a basis for exploring ideas
 - using a range of techniques and media, including paints, pencils and pens
 - increasing their ability and skill in the handling of different materials
 - analysing and evaluating their own work
 - learning about the history of art, craft and design.

Learning Task 1 - Art and Design 11C

- Research the artist L.S. Lowry, copy one of his paintings and describe his artistic style and techniques.
