

# HOMIE LEARNING

# MENU

Beech class Silver Street

Below you will find the 'Home Learning Menu' for every subject area in school. Firstly, we would like you to watch / read the introduction details of the chosen subject area by clicking on the link. Here you will find important information to support pupils' basic skills and how support your child's learning at home

## English

Instruction details - click here for [Task 1 \(loom\)](#) [Task 3 \(loom\)](#)

Learning Task 1	Learning Task 2	Learning Task 3
Watch the Loom all about the polar explorer Matthew Henson. Write your own fact file based on what you have read. There are examples of fact files in your home learning folder.	Click <a href="#">here</a> to research some different types of poetry and their features. Choose one that you would like to make and write it in your book.	Would you like to be an explorer? Choose one of the places on the Task 3 Loom, research it then write your own report on that place.

## Maths

Instruction details - these tasks are all independent. You will have teacher led zoom lessons for maths. Watch for a link on dojo.

Learning Task 1	Learning Task 2	Learning Task 3
Imagine you have £150 to buy anything you would like. What would it be? Would you buy one big thing, or lots of small things? Write a list and add up the costs. Do you have any money left over?	Complete the times table challenge within your book. I have levelled them in order of how challenging they are. Remember you only have 10 minutes to complete. Make sure to time yourself!	Complete the maths booklet in your home learning pack.

## Science

Instruction details [Task 1 click here](#) [Task 2 Click here](#)

Learning Task 1	Learning Task 2	Learning Task 3
Research Coral Reefs and write a short report about the animals and the dangers they face in their environment.	Watch the Task 2 clip. The Great Barrier Reef has shrunk by half! What would happen if the underwater ecosystem of coral reefs disappeared?	Pick an animal and research the food chain or challenge yourself and write down a food web!

## PE

Instruction details - [click here for instruction video!](#)

Learning Task 1	Learning Task 2	Learning Task 3
Go for a walk or a light jog for at least one mile.	Complete a fitness challenge!	Watch the <a href="#">clip</a> and design a poster that includes ways of keeping ourselves healthy.

# Art

## Instruction details

Learning Task 1	Learning Task 2	Learning Task 3
Watch the instructional video and draw your very own Picasso painting! <a href="#">Click here</a>	Research hot and cold colours. Draw a cold snowy landscape picture using cold colours.	Watch this <a href="#">video</a> about the artist Leonardo da Vinci. Write a fact file about his inventions and how his ideas inspired flying machines.

# Food Studies

## Instruction details

Learning Task 1	Learning Task 2	Learning Task 3
Create a map of my local area with places where you can buy food from.	With support if you need it, measure out ingredients for a recipe. Can you cook it? Take a photo and send it on dojo or stick it in your book.	With adult supervision help prepare a hot meal. Write the recipe in your book.

# Music

## Instruction details - [Click here](#) for Task 1 [Click here](#) for Task 3.

Learning Task 1	Learning Task 2	Learning Task 3
Watch the clip of the traditional tale Peter and the Wolf. Listen to the instruments which represent each character. In your book write a list of the characters, which instrument represents then and why you think that instrument/sound was chosen.	Sing along at home (on YouTube, Spotify etc.) to Pharrel Williams 'Happy'. What songs make you happy?	Make an instrument by recycling objects that you have at home. Then play the instrument, finding the beat of the song like we do in school.

# Design and Technology

## Instruction details

Learning Task 1	Learning Task 2	Learning Task 3
Find your Poppy resources in your learning pack. Follow the instructions and make your own poppy.	Imagine you are going on a polar expedition. Research what you will need to wear and design your own clothes. Think about the materials you would use and make a list.	Research, design and evaluate your own board game about the rainforest.

# Humanities

## Instruction details - [click here](#) and [here](#) for Task 2.

Learning Task 1	Learning Task 2	Learning Task 3
Make a fact file about the Arctic and Antarctica. Firstly, where is the Arctic? Where is Antarctica? Research the similarities and differences between the two places.	Watch the link about the Equator. Research what countries are lying on the equator and make a list of them. What do you notice about the climate and wildlife of the countries?	Weather/Natural disaster Emergencies How would you prepare for a natural disaster? Create an emergency kit of supplies.

# Personal Development

## Instruction details - [Click here](#) for Task 1 [Click here](#) for Task 2

Learning Task 1	Learning Task 2	Learning Task 3
Choose one of the activities from this website which helps you do eco friendly activities that will help our environment and planet. Take evidence by taking photos or write a diary of what you did in your book.	Listen to Martin Luther King Jr's famous speech 'I have a dream'. Martin Luther King dreamed that black and white people would be equal in America. What would your dream for the future be? Extra - make your own <i>I have a dream</i> speech.	Think about E-safety rules when using a computer console (x-box, play station etc). what rules do you follow? How do you keep yourself safe? Design a poster on keeping yourself safe online.
