Design and Technology Home Learning - 7C

By Mrs C Rigler (Head of Department)

Basic learning in Design and Technology

- In Design and Technology we aim for all pupils to develop creativity, understanding and practical expertise through designing and making products that solve real and relevant problems and evaluate its impact on the wider world within a variety of contexts, considering their own and others needs, wants and values
- Key learning in Design and Technology at home can involve pupils:
 - Researching and designing products
 - Making and evaluating products
 - The products could involve, for example: upcoming birthday presents, new garden ornaments and redesigning our school uniform!

Learning Task 1 - Design Technology - 7C

- Research three of your favourite examples of chocolate bar designs - Evaluate them, why are these effective? Look at colours, font, patterns, images on them.

- Success Criteria

- Is the chocolate bar eye catching?
- Can you tell what type of chocolate bar it is just by looking at the colours or images?
- Is the style of writing easy to read and interesting?
- What company makes the chocolate bar?

Learning Task 2 - Design and Technology - 7C

- Create your own chocolate bar which includes flavour, name of chocolate bar, design (logo) and price, think about colours and images to go on the wrapper.
- Fillings could include:-
- Biscuit, Honeycomb, Nougat, Raisins, Nuts, Caramel, Toffee, Fudge
- Chocolate could be, white, dark, caramel, ruby, milk.

Learning Task 3 - Design and Technology - 7C

- Create an advertising poster for your chocolate bar.
- Success Criteria
- Think about the words, images, colours, fonts, words and design.
- Include a slogan.
- Describe the product using at least five adjectives.
- Include a picture of the product.
- Show someone enjoying the product.
- Include a promotion (special offer).
