Aims

- To foster an **enduring love** of language and literature.
- To support pupils to become **active** readers, writers and communicators.
- Develop an appreciation for the **functional and practical** uses of English.

Remote Learning

- The aim of remote learning in English at Oakwood is to match the key learning and skills of each half term and present them in an easily teachable way at home, so that learning isn't lost and pupils do not fall behind where they should be. At Key Stage 4 pupils will do work that prepares them for exams, the same way as if they were at school. We can assess the work produced and gauge how well each pupil is progressing, as these 3 tasks match up with similar tasks we had planned in school.

Task 1

- Go to <https://www.pobble365.com/jurassic/>
- Complete the exercises - sentence challenge, answer the questions, draw the picture.
- Then write a story based around the picture, either using the story starter as a prompt or creating your own dinosaur takeover of the Earth.

Task 2

- Write a job application letter
- It can be a real job or a made up for one
- Think of the skills you have and the skills required for this job
- Use formal language
- Set it out in the correct format
- Give examples of things you have done that make you suitable

Task 3

- Design an advert for a product that you have invented
- You will need to include pictures and words
- Think of the colours you use on the picture. Are they appealing?
- Your text should be persuasive and make people want to buy this product. Use techniques like similes and emotive language.
- Include things like the price and where you can buy it.
