Aims

- To foster an **enduring love** of language and literature.
- To support pupils to become **active** readers, writers and communicators.
- Develop an appreciation for the **functional and practical** uses of English.

Remote Learning

- The aim of remote learning in English at Oakwood is to match the key learning and skills of each half term and present them in an easily teachable way at home, so that learning isn't lost and pupils do not fall behind where they should be. At Key Stage 4 pupils will do work that prepares them for exams, the same way as if they were at school. We can assess the work produced and gauge how well each pupil is progressing, as these 3 tasks match up with similar tasks we had planned in school.

Task 1

- Go to <https://www.pobble365.com/eyes-wide-open/>
