# Learning in Maths at home.

---

- Key learning in Maths at home can involve pupils:
  - Time activities
  - Working with money
  - Finding shapes around the home
  - Looking at key measurements - length, weight and volume
  - Learning times tables

# Learning Task 1 - Maths

- 
- Following on from our big write on making a wish imagine you wished to get £150 to buy anything you would like. What would it be?
  - Use the link below to decide what you would buy and why?
  - <https://www.amazon.co.uk>
  - Success Criteria
  - Choose your items carefully
  - Add up the items you choose
  - Subtract the total from £150

# Learning Task 2 - Maths Maths Challenge

- Complete the times table challenges within your book. Remember you only have 10 minutes to complete. Make sure to time yourself.
- Can you complete the challenge and send a photo of your work to Miss Lea on Class Dojo to be marked.

How much better can you get over the course of this half term?

## Learning Task 3 - Maths Fact file of Maths

Design a poster on the following key areas in Maths. Choose from one below or complete a few. Make sure to include as much detail as possible.

What key facts do you know about the following:

- 2D shapes
- Units of measurement
- Telling the time
- Basic operations (add, subtract, multiply, division)

# Extension tasks
