Maths

Home learning activities

By Mr P Donnellan

Learning in Maths at home.

- Key learning in Maths at home can involve pupils:
 - Time activities
 - Working with money
 - Finding shapes around the home
 - Looking at key measurements - length, weight and volume
 - Learning times tables

Learning Task 1 - Maths

-
- Following on from our big write on making a wish imagine you wished to get £100 to buy anything you would like. What would it be?
 - Use the link below to decide what you would buy and why?
 - <https://www.amazon.co.uk>
 - Success Criteria
 - Choose your items carefully
 - Add up the items you choose
 - Subtract the total from £100

Learning Task 2 - Maths Maths Challenge

- Complete the times table challenges within your book. Remember you only have 10 minutes to complete. Make sure to time yourself.
- Can you complete the challenge and send a photo of your work to Mr Donnellan on Class Dojo to be marked.

Learning Task 3 - Maths Fact file of Maths

Design a poster on the following key areas in Maths. Choose from one below or complete a few. Make sure to include as much detail as possible.

What key facts do you know about the following:

- 2D shapes
- Units of measurement
- Telling the time
- Basic operations (add, subtract, multiply, division)

Extension tasks

If you have completed the above learning tasks and still want to complete more Maths tasks, below are a list of some additional tasks:

- www.colouritbynumbers.com
- www.topmarks.co.uk
- Plan your own fantasy football team, including designing their own kit:
<https://www.tes.com/teaching-resource/fantasy-football-maths-ks2-ks3-entry-2-3-project-pack-for-embedding-number-and-data-via-football-12178421>
- Practise times tables: www.timestables.co.uk
