Maths 8C

By Miss Gatto

Basic learning in Maths

- Addition
- Subtraction
- Multiplication
- Division
- Odd numbers
- Even numbers
- Telling the time
- Fractions

Learning Task 1 - Maths - 8C

Task 1 - Practise your times tables on maths shed. Focus on your 2s, 5s and 10s.

<https://www.mathshed.com/en-gb/>

Success Criteria

- Be able to count in in 2s, 5s and 10s.
- Know times tables fluently
- Know your times tables out of order. (If I say what is 2×9 , you will be able to answer.

Learning Task 2 - Maths - 8C

- Task 2 - Draw a self- portrait. You can only use shapes to create your picture. How many shapes did you use? What are the names of the shapes you used?

Success Criteria

- Create a self portrait using only 2D shapes.
- Count and write down how many shapes are included in your picture.
- -Recognise and name all of the shapes in your drawing.

Learning Task 3 - Maths - 8C

- Task 3 - Look out of your window or find a place where you can watch cars. Can you create and fill in a tally chart based on the colours of the cars. Which colour is the most popular?

Favourite part of Christmas	Number of people
Decorating the tree	
Opening presents	
Playing in snow	
Carols and music	
Time with friends and family	
Christmas food	

Success Criteria

- Your tally chart has a title.
- Groups of 5 are evenly spaced.
- It is neat, clear and easy to read.
- Only 5 tally lines in each group.
