- The ASDAN option is suitable for any pupils who struggle accessing GCSE's.
- Pupils will gain Bronze / Silver awards over the 2 years which is all portfolio based = **no exam**
- Those pupils who chose the Sports Award in the PE option (Asdan) will have the opportunity to achieve a higher award as we combine the awards.

Students are encouraged to look after and be responsible for their own files over the 2 years, filing their work and keeping it all in the correct order with support and guidance. I also encourage them to complete their stepladders of progress so they can monitor and see their own progress and how well they are doing.
